Autumn Term Maths Plan for Parents

Below you will find an outline of what your daughter will be learning each week in her Maths lessons. Please note that teachers carry out continuous assessment which may result in some small adjustments to planning. Teachers may also adapt their planning to suit the needs of individual girls or their class.

Subject: Maths

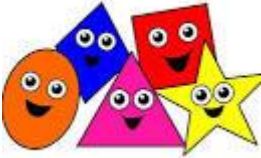

Year Group: 1

Term & Date: Autumn 2018

Week	Learning Objective
1 Counting	Main aims of the week: <ul style="list-style-type: none">Count reliably to at least 20Compare and order numbersSay one more or one less than a number up to 20
